which political entities should the international community recognize as member states granting them the rights and powers of statehood and entitling them to participate in formulating adjudicating and implementing international law what criteria should it use and are those criteria defensible from kosovo palestine and taiwan to south sudan scotland south ossetia abkhazia and catalonia these questions continuously arise and constantly challenge the international community for a consistent principled stance in response to this challenge chris naticchia offers a social contract argument for a theory of international recognition a normative theory of the criteria that states and international bodies should use to recognize political entities as member states of the international community regardless of whether political entities adequately respect human rights or practice democracy he argues we must recognize a critical mass of them to get international institutions working then we should recognize secessionist entities that suffer from persistent grave and widespread human rights abuses by their government and under certain conditions minority nations within multinational states that seek independence we must also recognize entities whose recognition would contribute to the economic development of the least well off entities drawing on the social contract tradition and developing a broadly rawlsian view a law of peoples for recognizing states will both challenge and appeal to a broad readership in political philosophy international law and international relations

a great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their christian ministry yet christians need to be nourished by the word of god so they can mature in faith and righteousness filling this gap the branch exposition of the bible is a resource for preachers scholars and ordinary christians alike to help open god s word and shed its light into life ministry and teaching inspired by the words of the great reformer martin luther about shaking every branch of scripture and with experience in ministering across africa india and the west michael a eaton helps us understand the meaning of the bible and taste its fruit together with the new testament volume this exposition of the old testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the old testament so that we can meet the resurrected jesus christ in the pages of scripture

most chess opening books are either too detailed or too shallow chess opening essentials has exactly the right balance and is an

accessible primer and a reference book at the same time it gives a flavor of how every opening works and points at the various middlegame plans that apply after the opening has ended chess opening essentials helps beginners to develop a solid understanding of fundamental opening ideas gives casual players the ability to choose the opening that suits their style and taste and is a tool for club players to test and review their opening repertoire as well as a reference book to which advanced players keep returning the authors do not propagate forcing tactical variations to be memorized mechanically but explain what you should actually be trying to achieve when playing the opening of your choice they include the main alternative responses and give clear indications for further study
